

DAY OF YOUR VISIT: WHAT TO KNOW

Buses: On the day of your field trip, please arrive at the Museum's Group Entrance at **2203 W RIVERSIDE AVE** 5 minutes prior to the program start time. Group entry has bus parking. Our regular entry does not. If your students need a snack or a bathroom immediately upon arrival, please plan to arrive 10 minutes early.

Are you taking the STA bus?

The MAC is close to two bus lines (#20 and #1), and STA is a convenient and free way to bring students to the museum! If you are planning to use an STA bus, please refer to the [STA System Map](#) and use the Google Maps Transit option to plan your route. Please reach out to businessaccounts@spokanetransit.com for any STA bus-related questions.

We do not allow large backpacks or water bottles inside the exhibits or Campbell House. We will have storage bins available for your students to keep large backpacks, lunches, and water bottles in for the duration of the field trip.

Let a museum educator know your final headcount and help them arrange student into single file lines at Group Entry.

Lunch: Unfortunately, we do not have space available inside the museum for school or group visit brown bag lunches. You may eat lunch on the lawn in front of the museum, or walk to Coeur d'Alene Park at 2195 W 2nd Ave.

Please take all belongings stored in our bins with you before enjoying your lunch and use the outside stairs or sidewalk to return to your bus.

WE ARE LOOKING FORWARD TO YOUR VISIT! SEE YOU SOON AT THE MAC!
